

## Take Day 02 & Day 08 PCR tests Now - NX Healthcare

NX Healthcare provides PCR-based home test kits. Make sure you swab your throat and nose and send the sample to the lab. Within 24 hours of receiving the sample, our lab will send you the results and a travel certificate. Airlines accept all forms of travel documents. It is mandatory for travelers to take the <u>Day 02 & Day 08 PCR tests</u> during quarantine. It's time to order! Call today for more details at 020 8168 7100.
