How Does It Work?

Using the AI Books App is as easy as three simple clicks:

Step 1:

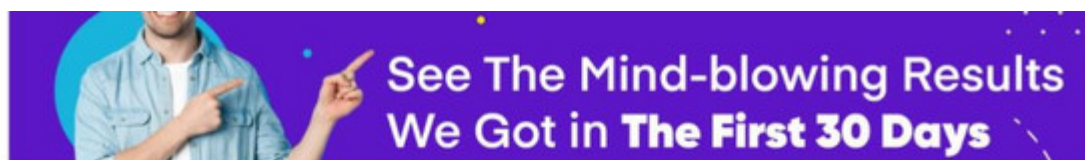

Select from Done-For-You (DFY) eBooks and articles, or create your own from scratch.

Step 2:

Customize your eBook and design the cover effortlessly with our intuitive drag-and-drop cover editor.

Step 3:

That's it! Download your stunning eBook and use it anywhere you like or sell it.

Key Features Of AI Books

AI Books offers an array of unparalleled features designed to revolutionize your eBook creation experience.

AI Books Features are Here:

- Effortless Drag & Drop eBook Editor: Craft stunning eBooks effortlessly with our intuitive drag-and-drop editor, eliminating the need for additional software.
- Versatile eBook Creation: Create both concise mini eBooks and comprehensive long-form eBooks tailored to your needs.
- Fully Customizable eBook Builder: Utilize multiple editable templates and a customizable builder to craft eBooks that stand out.
- Conversion-Boosting Elements: Enhance your eBooks with elements like CTA buttons, images, headers, and footers to maximize conversion rates.
- Unlimited Chapters: Seamlessly add and manage unlimited chapters within your eBooks.
- AI Content and Graphics Generators: Leverage OpenAI-powered tools for automated content generation and graphic design, ensuring high-quality results.
- Custom eBook Covers: Design engaging eBook covers using our fully customizable cover designer.
- Preloaded Content: Access over 1 million ready-made eBooks and PLR articles to jumpstart your publishing journey or inspire your creations.
- Cloud-Based Platform: Enjoy 100% cloud-based access from any device worldwide, without the need for installations or hosting.
- Comprehensive Support: Access FAQs, training videos, and 24/7 customer support to guide you through every step of eBook creation and troubleshooting.
