Affectionate Hug Style For Couples

We all hug differently and the way we hug indicates a lot about our feelings. Every touch speaks and gives what we have for our loved ones.

- **Bear Hug**

Is the best huggy-muggy way to express someone how much you love, just by holding them tight from the front like a teddy bear. You can embrace them with this type of hug anytime and anywhere. It's a very simple a passionate way to show them that they have someone in their life that stands beside them all the time.

Magic tip: Embrace your sweetheart in your arms with all the force and love you have in your heart for them.

- **The Embrace Hug**

Is one of the cuddles that we all consider to be the most effective. By embracing your partner warmly. Hold their back tight and as a gesture for love and care move your hands on their back. This can bring some peace of mind and security of someone who is always there to hold them in every down of the life.

Magic tip: Whisper some words of care while taking them in your arms, say that you are always there no matter what turns the life pass.

- **Friendly Hug**

Is the one where you can put your arms lightly around your partner's shoulders and give them a gentle squeeze.

Magic tip: Friends are forever, when love leaves friends always stay, so while giving your loved one a friendly hug tell them 'before love, this friendship will stay last forever.'

- **Hello & Goodbye Hug**

Is a quick, semi-close hug paired with a kiss on the cheek. This has to be passionate because you are meeting the one you love or bidding them a farewell.

Magic tip: Make it special with some token of love may be flowers or a small hello or goodbye gift.

- **Hug of Joy**

Is again a semi-close hug with enjoyment and movement that often includes a bit of excitement that you jump while holding each other.

Magic tip: Put your hands around on the shoulders of your sweetheart. Be fun loving, little naughty and cuddle with them like a kid.

- **Passionate Squeeze**

Is the one where you can pull in your partner closely and give them a passionate squeeze as you gently kiss along their neck.

Magic tip: Put some of their favourite fragrance on yourself to add more mystic.

- **The Polite Hug**

Is the kind of hug where they act like they're trying to hug you without touching you. It is usually accompanied by the 'polite smile'. This means that either, this is your first date, and they're undecided about you, or it's your last date, but you haven't found that out yet. Sometimes it's both, all wrapped in one.

Magic tip: If not a hug then let your eyes speaks the touch of your love

- **The Waistline Hug**

Is usually done while walking together or standing together. You both put your arm around the other one's waist. This type of hug generally means 'we're together' or 'we're a couple'.

Magic tip: If you are holding them from their waist don't forget to give a kiss on the side of their cheek.

- **The Hug And Twirl**

The meaning says you people haven't seen each other from a long time. And now you hold each other in such a manner that it completes the longing you have been craving for.

Magic tip: If you are a guy pick her up from the ground in your arms while hugging her.

- **The Sleepy Shoulder Hug**

You two wrap your arms around each other and lay down. She lays her head on your shoulder or chest. You hold her from her waist and rest in the same for a long time.

Magic tip: Speak your heart out because the time is here and perfect.
