

# Must-Know Benefits of reading Maqdis Quran

The Quran is the holy scripture of Islam and is considered to be the word of God as revealed to the Prophet Muhammad. It is the most important text in Islam and is central to the lives of Muslims around the world. However, reading and understanding the Quran can be challenging for those who are not fluent in Arabic. In this blog, we'll explore two resources that can help make reading and understanding the Quran easier: the Maqdis Quran and The Easy Qur'an.

## Maqdis Quran

The [Maqdis Quran](#) is a tajweed Quran that includes an English translation and transliteration, making it accessible to those who may not understand Arabic. The Maqdis Quran was first published in Jerusalem in 2001 by Dar Al-Maarifah, and it is the result of years of work by a team of scholars and translators.

The Maqdis Quran is unique in that it emphasizes the importance of tajweed, which is the set of rules that govern the pronunciation and intonation of the Quran. The Quran is meant to be recited with proper pronunciation and intonation, and the Maqdis Quran provides detailed explanations of the tajweed rules to help readers recite the Quran correctly.

The Maqdis Quran also includes an accurate English translation of the Quran. The translation has been done by a team of scholars who are experts in the field, and they have worked tirelessly to ensure that the translation is accurate and faithful to the original Arabic text.

## **The Easy Qur'an**

The Easy Qur'an is another resource that can help make reading and understanding the Quran easier. The Easy Qur'an is a translation of the Quran into modern English that is designed to be easy to read and understand.

The Easy Qur'an was translated by Dr. Talal Itani, who is a renowned translator and scholar of Islam. Dr. Itani's translation is faithful to the original Arabic text, but it is written in a way that is easy to read and understand. The translation also includes footnotes and explanations of difficult concepts to help readers understand the Quran more deeply.

One of the unique features of The Easy Qur'an is that it includes a phonetic transcription of the Arabic text, which can help readers to pronounce the Arabic words correctly. This is an important feature, as proper pronunciation is essential to understanding the meaning of the Quran.

## **Conclusion**

The Quran is the most important text in Islam, but reading and understanding it can be challenging for those who are not fluent in Arabic. The Maqdis Quran and The Easy Qur'an are two resources that can help make reading and understanding the Quran easier. The Maqdis Quran is a tajweed Quran that includes an English translation and transliteration, while The Easy Qur'an is a modern English translation of the Quran that is designed to be easy to read and understand. Both resources can help readers deepen their understanding of the Quran and its teachings, which is essential to the practice of Islam.
