In addition, cushions and clappers (cheering tools) will be provided on a first-come, first-served basis when entering the stadium for a pleasant viewing, and various contents such as celebratory performances and food trucks will be held.

In this year's K4 League, a total of 13 teams, including Namyangju FC, will face off twice in a home-and-away manner and play 24 games per team, and the final ranking will be confirmed only by the results of the regular league.

As a result, the top 1st and 2nd teams will be automatically promoted to the K3 League, and the playoff-winning team among the 3rd and 4th places will play against the 3rd team (14th) in the lower part of the K3 League to determine whether to remain or be demoted.

Meanwhile, Namyangju FC has completed attracting 38 corporate sponsors using main sponsors and A boards to strengthen the team's self-sustainability and raise sound finances.

At the same time, it is also conducting a "million-billion-won" campaign that citizens who love soccer can always sponsor, collecting 10,000 won and making 100 million won.
