

## ALFA Insurance - Doug Blevins Agency

From my beginning in the insurance industry, I have handled business one way, and that is to treat others the way I want to be treated. My knowledge, integrity, faith and work ethic is what propels me to assist the community and help me provide my customers with an unmatched level of personal service. I look forward to helping families like yours protect the things that are important – your family, home, car and more. I'm also here to help you prepare a strategy to achieve your financial goals. I'm proud to work with a company who's been serving satisfied customers for nearly 70 years. Customers count on outstanding financial strength and superior claims service to help protect what they value most. Alfa delivers on their promise. In fact, their outstanding financial strength and superior claims service received an A (Superior) rating by A.M. Best. Quality service, strength and satisfaction – that's something I'm glad to be a part of. I understand the importance of building a solid foundation for the future and developing long-lasting customer relationships. That's why I'm committed to offering you the same level of service I'd expect. When you leave my office, I hope you'll feel confident, informed, assured and satisfied in your choices. The way you should feel.
