

## Cost to Build a Travel App like Airbnb in 2023

Building a travel app like Airbnb in 2023 can be a lucrative business idea, but it comes with significant costs. The total cost to build such an app varies based on the features, design, platform, and development team's experience. Generally, the cost can range from \$50,000 to \$500,000 or even more, depending on the complexity of the project.
