

# 5 Ways of Building Management - Premier Property Consultancy

# 5 Ways of Building Management

## Maintenance and Repairs:

Establish a preventive maintenance schedule to address issues before they become major problems.

## Financial Management:

Prepare and manage the building's budget, considering expenses such as utilities, maintenance, insurance, and staff salaries.

## Tenant Relations:

Organize community events or initiatives to foster a sense of belonging and encourage tenant engagement.

## Safety and Security:

Conduct regular safety inspections to identify potential hazards and take necessary steps to mitigate risks.

Steps to Mitigate Risks.

### 5. Administrative Tasks:

Maintain accurate records of building documentation, including leases, contracts, permits, and licenses.
