## **Koch Chemie**

Solish Panel Beaters is a company that manufactures and distributes high quality cleaning and protection products. They have been around since 1968 and are known for their excellence in cleaning and protection. Their continuous improvements help them to stand out in the market.

Solish Panel Beaters's [Car Paint Restoration Auckland](#) service includes three steps. It is the process of removing scratches, restoring the colour of your vehicle's paint and bringing it back to its original look. The process takes a few hours to several days. In the end, your vehicle will have a shiny and flawless finish.

Among the many products that Solish Panel Beaters offers, one of them is the Solish Panel Beaters Shine Speed Polish. This polish is made in Germany and is designed to remove minor surface imperfections and provide a deep lustre. You can apply it by hand or with a machine. The abrasive compounds used in the product are gentle enough to leave your surface protected and free of any scratches. It has a unique formula which can absorb the damaging effects of acid rain and UV degradation.

Other products from Solish Panel Beaters that you can find in their range include the Solish Panel Beaters Panel Preparation Spray and the Solish Panel Beaters Detailer. These are alcohol-based cleaners that are free of halogenated hydrocarbons. The spray is easily applied and it can remove grease, wax and other impurities from your vehicle's paintwork.
