## Trademark Search

A comprehensive search can identify any existing trademarks that might conflict with yours.

## Filing the Application

Once the search is complete, you can file your trademark application with the Israeli Trademark Office.

## Examination

After filing, the Israeli Trademark Office will examine your application. This process can take several months.

## Publication

If your trademark application is accepted, it will be

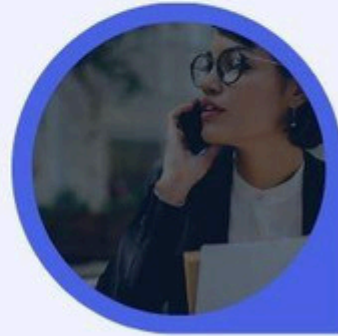

**published in the Trademark Journal.**

## **Final Registration**

**If there are no oppositions, your trademark will be registered, and you'll receive a certificate of registration.**
