Lisa is a great inspiration and she doesn't realize just how much she means to so many people. I mean I get her though, imagine tons of people saying how much you have made an impact in their lives? It's a lot to take in. Lisa is successful not just because of her talent and pretty face, she's extremely kind and humble as well. She never forgets to look back, to pay homage to her country, always pray, and the way she values her family.

her smile is incomparable to any amount of money, gold, diamond, and all. her smile reflects that she is happy, despite all of that hardships, that she does not regret anything at all. she is the most beautiful angel I've ever seen. QUEEN will always be a Queen to everyone's heart
