

Want to Book an Appointment with an Expert Eye Doctor to Secure Your Eye Health?

At Eye See Optique, we believe that regular eye exams are crucial for maintaining healthy vision. That's why we're excited to offer a new online booking system for appointments with our expert Optometrist - Dr. Darlene Fowler!

Booking an [Appointment with eye doctor](#) has never been easier. With just a few clicks on our website, you can schedule a comprehensive eye exam with one of our experienced professionals. Our optometrist is passionate about providing personalized care to each of our patients and is dedicated to helping you achieve optimal eye health.

During your appointment, our eye doctor will conduct a thorough examination of your eyes to assess your vision, detect any potential problems, and provide guidance on how to maintain healthy eyesight. Our state-of-the-art equipment enables us to provide accurate diagnoses and personalized treatment plans tailored to your unique needs.

At Eye See Optique, we understand that everyone's eye health needs are different. Whether you're experiencing blurry vision, eye fatigue, or other symptoms, our eye doctors will work with you to find the best solutions for your individual needs. We offer a wide range of services, including contact lens fittings, pediatric eye exams, and treatment for eye diseases such as glaucoma and cataracts.

We take pride in providing exceptional customer service and strive to create a welcoming and comfortable environment for our patients. Our team of friendly and knowledgeable staff is here to assist you every step of the way, from scheduling your appointment to answering any questions you may have about your eye health.

Welcome To Eye See Optique - A One-Stop Optical Boutique in the Heart of Arlington!

After fifteen years of experience working at and managing several prestigious optical shops in the metropolitan Washington DC area, in October 2017 Waheed Abbasi proudly opened his own shop Eye See Optique in Penrose Square located at 2405 Columbia Pike in Arlington, Virginia.

Our boutique lab allows us to cut most lenses within an hour. It also allows for a faster turnaround time for lenses that need to be ordered. Get A Quick Appointment!
