

Annamalai is leaving politics for 3 months: Who will be the next BJP leader?

Annamalai's temporary exit from politics has left a significant gap in the BJP leadership. As he steps back for three months, the party faces the crucial task of appointing a new leader to steer its course. Speculations are rife about who will take on this vital role and lead the BJP during this transitional period. The decision will not only impact party dynamics but also influence the broader political landscape. Stay tuned as the search for Annamalai's interim successor unfolds.
