

# Stylish Beige A-Line Lehenga Perfect for Festive Occasions

Beige is variously described as a pale sandy fawn color, a grayish tan, a light-grayish yellowish brown, or a pale to grayish yellow. It has come to be used to describe a variety of light tints chosen for their neutral or pale warm appearance. The color beige is neutral, calm, and relaxing. The attributes and meanings associated with beige change based on the colors it accompanies. The color beige offers some of the warmth of the color brown and the some of the crisp and coolness of the color white.
