Well, you've struck gold because Redline Fire Apparatus is your one-stop shop for all things fiery and fantastic. We've scoured the nation to bring you a sizzling selection of [used fire apparatus](#), including ARRF trucks, pumper trucks, rescue trucks, and aerial trucks. It's time to fan the flames of your firefighting dreams!

Meet Your Firefighting Ally

Before we dive into the blazing world of fire trucks, let's get acquainted with the powerhouse known as Redline Fire Apparatus. We're not just your run-of-the-mill fire truck dealer – we're a family-owned and operated business that kickstarted its journey in 2018 under the capable guidance of Adam Wilvert. Our mission? To unite fire departments from coast to coast, helping them buy and sell their cherished used fire trucks and fire apparatus. We're not just in the business of selling; we're in the business of building trust and forging lasting relationships with our dedicated customers who keep coming back, year after year.

Revving Up the Excitement

Now that you're fired up about Redline Fire Apparatus, let's dive into the main event – our exceptional collection of used fire trucks for sale. Hold onto your helmets; things are about to get blazing!

A Fiery Lineup

Ever dreamt of owning a formidable ARRF truck for sale? Well, dream no more, my friends! Redline Fire Apparatus boasts an impressive array of these specialized firefighting giants. Whether you're battling airport blazes or tackling industrial infernos, our ARRF trucks are revved up and ready to roll.

But wait, there's more! We've got a fleet of pumper trucks for sale that are built to handle all your firefighting needs. These workhorses come equipped with powerful pumps to douse those flames with ease.

Rescue Ready

When lives hang in the balance, you need equipment you can count on. Our rescue trucks for sale are the real deal. From extricating accident victims to responding to emergencies, these trucks are the unsung heroes you've been searching for.

Soaring to New Heights

If you need to reach for the skies, our aerial trucks for sale are here to elevate your firefighting game. These towering titans are perfect for those hard-to-reach places. When the flames climb high, we'll help you soar to new heights.

Trusted Coast to Coast

We've cast our net far and wide, serving fire departments throughout the United States. No matter where you hang your helmet, Redline Fire Apparatus is your trusted partner for used fire trucks and fire trucks for sale. We're not just here to sell; we're here to stand by your side as you protect and serve your community.

Your Journey Starts Here

Now that you're well-acquainted with our fiery offerings, it's time to make your move. Whether you're itching to buy or looking to bid farewell to your trusty firefighting companion, Redline Fire Apparatus has you covered!

Ready to Buy?

If you're in the market for a used fire truck for sale or any other type of fire apparatus for sale, it's time to dive headfirst into our online inventory. Your dream firefighting ally could be just a click away!
