

# Apps to monitor kids' online activity - NC Protection

5 of the best parental control [apps to monitor kids' online activity](https://ncprotectiongroup.com/apps-to-monitor-kids-online-activity/). The parental control software market is big business — forecast to reach \$9.5 billion globally by 2023, with North America leading the way. That means parents are taking the responsibility to safeguard their children's online safety seriously. If you're looking to monitor your child's [...] #
