## Canada eTA

Canada eTA (Online Canada Visa) is a required travel permit for travelers visiting Canada for business, tourism or transit purposes. This online process for Electronic Visa for Canada was implemented from 2015 by **Immigration, Refugees and Citizenship Canada (IRCC)**.

[Apply for Canada eTA Application](#)

Canada eTA is a mandatory requirement for [eligible foreign nationals](#) who are planning to travel to Canada by air. This online travel authorization is linked electronically to your Passport and is valid for a period of five years.

### What is Canada eTA or Canada Visa Online?

As part of its joint agreement with the United States to better secure both the countries' borders, from 2015 onwards Canada started a **Visa Waiver programme for certain Visa exempt countries** whose citizens could travel to Canada by applying for an Electronic Travel Authorization Document instead, which is known as the eTA for Canada or **Canada Visa Online**.

The Canada Visa Online works as a Visa Waiver document for foreign nationals from certain eligible (Visa Exempt) countries who can travel to Canada without having to obtain a Visa from the Canadian Embassy or Consulate but instead visit the country on the eTA for Canada which can be applied for and obtained online.
