Should you clean before a House Clearance team comes?

While it may seem like it is overcoming the purpose of hiring a House Clearance Merton team, tidying up your house before the company comes will make everything go smoother and more professional. Remember, the cleaner is here to clean the house, not establish it. They are not answerable for keeping your room clutter-free. So if you have toys or items dispersed around the house, just pick them up before the house clearance company comes. For delicate items that you do not want the cleaners to touch, place them somewhere out of reach so they do not indulge them or disrupt them by chance.

How do I prepare for a House Clearance in Merton?

Sure, hiring a [House clearance Company](#) is one easy way to free you manually from doing house chores, but preparation is key if you need your cleaners to be well organized. Here we share what to do before your house clearance company reaches you.

- Neat up the house and pick up any items that are put around.
- Keep imperative items such as documents in a safe place to escape the cleaners misplacing them?
- Secure your proceeds – this is important if the cleaners are new and you have not established a level of belief with them yet.
- Prepare all the clearance tools and supplies if the house clearance company that you hired does not provide any of those.
- Keep your children and pets away so that the cleaners can work more professionally.
- Do not overlook giving feedback, as this will help your cleaners comprehend what to take note of the next time they clean your house.
