Son Ah-seop and Hong Chang-ki were also active in NC-Doosan, the professional baseball of the '2023 Shinhan Bank SOL' held at Jamsil Baseball Stadium in Seoul on the 20th.

He led NC to a 5-4 victory with a double in the top of the fifth inning, a right-handed hit in the top of the seventh inning, and a left-field fly in the fifth inning.

LG's Hong Chang-ki is also formidable. He appeared as a leadoff hitter in the bottom of the first inning, his first at-bat, and made a good start by hitting a left-handed double. He got on base with a walk in the bottom of the third inning, the second at-bat, a hit to the right in the bottom of the fourth inning, and a walk again in the fourth at-bat. In the last fifth at-bat, he grounded out in front of the second baseman.

On this day, Hong Chang-ki showed good performance, scoring two hits, one walk, and two points in three at-bats.

Hong Chang-ki, who is tall and has a good physique, is known as a good pioneer. He has the ability to make good hits based on good pioneering skills. He ranks first in the league in walks this year with 4.27 pitches per at-bat. [스포츠투투](#)

The batting champion war, which is more intense than ever before, is expected to be fierce until the end of the game. Whoever it is, he is the first batting champion in his life.

NC-LG's game was up and down, and NC won by one point due to Austin's throwing error that caught Seo Ho-chul's ball in the top of the ninth inning with two outs and a runner on second base, which was tied 4-4.
