Your LinkedIn profile is a goldmine for recruiters!

They can find out everything about you, your skills, and what you're looking for in just a few clicks.

But if your profile picture looks like it was taken for just sake of uploading, or worse - no image at all - they won't even bother clicking on it. You'll be left behind by other professionals who do know how to optimize their LinkedIn profiles.

Use the 5 secret [LinkedIn Profile Picture](#) tips shared here to get noticed by recruiters and industry leaders! These top-secret strategies will make sure that people notice your profile first when they search through LinkedIn candidates! It's easy as 1-2-3!
