

# Khair Hadid Malik – The Daughter of Gigi Hadid and Zayn Malik

Introducing Khair Hadid Malik, the adorable daughter of celebrity power couple Gigi Hadid and Zayn Malik. From the early stages of Gigi's pregnancy to their joyous announcement and the first glimpse of Khair, her parents have shared their journey on social media, giving us a glimpse into this precious little one's life. Stay tuned as we dive into everything you need to know about Khair Hadid Malik.

## Birth And Nationality

Khair Hadid Malik entered the world on September 19, 2020, to famous parents, Gigi Hadid and Zayn Malik. Gigi, an American supermodel, and Zayn, a talented musician, welcomed their first child together in Pennsylvania, United States. Khair is surrounded by a loving family, including her grandparents Yaser and Trisha Malik, as well as Yolanda and Mohamed Hadid.

She also has the privilege of being the niece of supermodel Bella Hadid and model Anwar Hadid. While her parents kept her face private in photos, they did share glimpses of their adorable daughter on social media. Her name was revealed four months later in January 2021, but even before her arrival, her mom let the world in on the joyful anticipation through a beautiful picture of her baby bump. As of 2023, Khai Hadid Malik will celebrate her third birthday in September.

## **Gigi And Zayn's Baby Girl, Khai: A Royal Name**

Khai means 'crowned' or 'royalty' in Arabic. Both parents have tattoos of Khai's name that match, and they also wear necklaces with her name on them.
