The image shows a clear plastic bottle of HealthBae Gluta 1000mg tablets. The bottle has a white cap and a label with a purple and white design. The label features the HealthBae logo, a green leaf icon, and the text 'HEALTHBAE GLUTA 1000mg'. Below this, it lists ingredients: 'Glutathione, Grape Seed Extract, Alpha Lipoic Acid, Licorice Extract, Vitamin C, E and B3 Capsules'. It also states 'Supports Immunity, Skin Health, Anti Oxidant' and 'Nutraceutical For Adult'. A small green circular logo is visible on the right side of the label. In front of the bottle, several white, oval-shaped tablets are scattered. The background is a light gray with a large, abstract purple shape on the right side.
