

# Sales Team Management with Geolocation Attendance - Sales Tracker

**TASK TRACKER** Suite

## GPS Tracking:

Empower your sales team,  
optimise results!

[www.tasktracker.io](http://www.tasktracker.io) | [www.sales-tracker.io](http://www.sales-tracker.io)

Managing a sales team requires many skills, strategies, and tools to ensure the team stays motivated, productive, and successful. But how do you manage a sales team effectively and efficiently, especially when your team works at clients' locations? That's where location tracking becomes mandatory.

Live location tracking is one of the best ways to [manage your sales team remotely](#), as it allows you to monitor your sales team's location and activity in real time.
