

## Nepotism Flag Bearers Who Left Bollywood But Still Managed To Become Affluent Millionaires!

Bollywood movie stars are expected to lead an enormously rich life. Being the customers of the cinema business, we are always elated to know about our favourite star's life, history, happenings, and future. It is expected that the star kids will rake in a huge sum of money to support the leaf they dream of. However, mostly it is true, but not all nepotism flag bearers get to a considerable spot, and hence, many star kids have ended their [Bollywood careers](#), and we say 'Good Decision!'

Here is the list of 5 movie star kids who left acting, and with much hard work, created their niche and are presently millionaires. So, check the list to know – 'Kon Bana Crorepati?'

### **Twinkle Khanna**

She is a self-announced failure in Bollywood. However, her wit has taken the world by storm. She emerged out to be a great writer and found success in that field. Her books and columns are a massive commercial success, and people love to read what this intelligent woman writes. According to some sources, her net worth is somewhere around 30 million dollars.

### **Uday Chopra**

Barring his not so likely acting acumen, his personal life is all Dhoom Dhoom. He is witty, sarcastic, and satirical on his social media accounts. He is heading the [Yashraj films](#) division in the United States for a long time now. He is also the owner of Yomics, which creates the cartoon versions of **Yashraj movies**. Reports say that his net worth is somewhere around 5 million dollars.

### **Harman Baweja**

When he entered Bollywood, the cinema buffs thought this man is here to stay. He was known as the doppelganger of **Hritik Roshan** and ex-boyfriend of Priyanka Chopra. Harman's father, Harry Baweja, is a reputed producer in Bollywood. After his small space at the silver screen, he became a full-time producer, heading his family business and making it up to the present

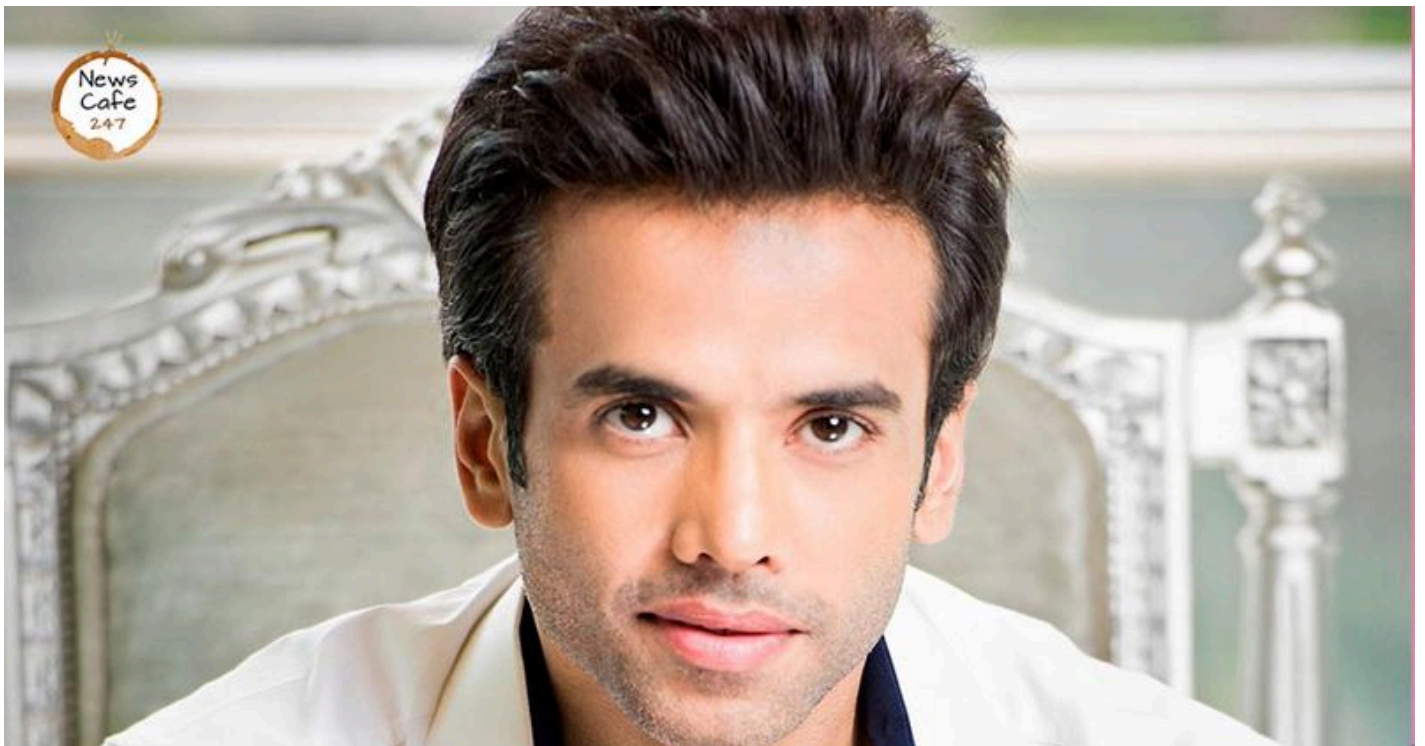

day mark. According to various estimations, his net worth is somewhere around 5 million dollars.

### **Tanisha Mukherjee**

The sources have it that she is the owner of 1 to 5 million dollars. She is Kajol's younger sister, Tanuja's daughter and **Ajay Devgn's** sister-in-law. Her family leads a lineage of artistically blessed humans. Tanisha is taking it forward in terms of both goodwill and wealth.

### **Tusshar Kapoor**

He is the son of legendary **superstar** Jeetendra and brother of Ekta Kapoor, the uncrowned queen of the saas-bahu drama in the country. His work in movies was neither so bad nor so good. But he eventually was dropped from many films and is only a part of the Golmaal series

currently. However, he is a producer and owns properties as a rental source. The net worth of Tusshar is speculated to be around 11 million dollars.
