What is Townhouse?

Townhouses are often multilevel residences sharing one or more walls with another townhouse. Residents usually own the land on which the space is situated, including the front and backyard but have separate entrances. Many townhouses in Dubai are located in gated communities at great locations, closer to schools, hospitals, and supermarkets. At PHOREE, you can find numerous townhouses for sale in Dubai, spread across popular neighborhoods like DAMAC hills, Jumeirah Village Circle, Nadd Al Sheba, Town Square, Dubai Land, and more. Most townhouses are built in single rows, ranging from one to five bedrooms, complete with a maid room, terrace, walk-in closets, central air conditioning, and additional facilities.
