Steps to Move QuickBooks Desktop to a New Computer

Follow these steps to ensure a smooth migration:

Step 1: Use the QuickBooks Migration Tool

The best and easiest way to transfer QuickBooks Desktop is by using the built-in Migration Tool.

1. Open QuickBooks on your old computer.
2. Go to File > Utilities > Move QuickBooks to another computer.
3. Follow the on-screen instructions and create a one-time password.
4. Save the backup file to an external USB drive.
5. On your new computer, insert the USB drive and open QuickBooks.
6. Follow the prompts to complete the transfer.

If you run into any issues, Call Now +1-833-743-9444 & +1-833-743-2896 for expert help.

Step 2: Manually Transfer QuickBooks Files

If you prefer a manual approach, follow these steps:

1. Install QuickBooks on the new computer from [QuickBooks Official Website](https://quickbooks.intuit.com).

2. Locate your company files on the old computer (default location:
C:\Users\Public\Documents\Intuit\QuickBooks\Company Files).
3. Copy and transfer the files using an external hard drive or cloud storage.
4. Open QuickBooks on the new computer and restore your company file.
5. Verify that all data has transferred successfully.

Step 3: Reauthorize Your QuickBooks License

After transferring QuickBooks, you'll need to reactivate your license:

- Open QuickBooks and go to Help > Activate QuickBooks Desktop.
- Enter your product and license key.
- Follow the on-screen steps to verify and activate QuickBooks.

If activation fails, Call Now +1-833-743-9444 & +1-833-743-2896.

Step 4: Update QuickBooks and Backup Your Data

Once QuickBooks is set up on your new computer:

- Update QuickBooks to the latest version.
- Set up automatic backups to prevent future data loss.
- Test your system to ensure everything is working smoothly.

Why Call an Expert for QuickBooks Transfer?

While you can DIY, QuickBooks migration can sometimes be tricky. If you face issues such as:

- QuickBooks won't open after transfer
- Missing company files
- Data corruption
- License activation errors
