

RISHIKESH — A BLEND OF SPIRITUALITY AND ADVENTURE WITH INVESTMENT

Rishikesh, the place of the pundits' is a famed spiritual city located on the banks of the Ganga. Girdled by the Shivaik range of the Himalayas on three sides, it holds a deep artistic and spiritual significance for its callers. It's believed that when Raibhya Rishi shouldered rigorous penance, God appeared in the form of " Hrishikesh " and hereafter this area came to be known as Rishikesh.
