

## Focuses on women's healthcare and children's skill development.

Explore the impactful initiatives of [My Abhinandan](http://www.myabhinandan.com), an Indian NGO dedicated to enhancing women's healthcare and nurturing the talents of children through skill development. With a focus on preventive care, we strive to improve access to essential health services for women across communities, ensuring their overall well-being. Additionally, our comprehensive skill development programs for children aim to unleash their potential and prepare them for future challenges.
