PERSONAL INJURY ATTORNEY

ESSENTIAL CHARACTERISTICS

6 TRAITS TO LOOK FOR WHEN CHOOSING YOUR PERSONAL INJURY ATTORNEY

01: No Fee Unless You Win

Your attorney should use a contingency fee model, in which the fee will be a percentage of any award won.

02: Personal Service

Your attorney should be committed to you and work vigorously to obtain the best possible recovery in your case.

03: Case Experience

Seek out an attorney who is experienced with the type of injury case you are involved in.

04: No Call Screeners

You should be able to speak to an attorney, preferably the one who will be handling your case.

05: Free Consultation

You have the right to a free consultation during which you can evaluate the attorney who will handle your case.

06: Always Responsive

Your attorney should address any problems quickly and respect your time by swiftly replying to your inquiries.

*Our attorneys have decades of experience handling personal injury cases. Talk to an attorney: **1.877.595.4878***
