

SIBERIA SENSА

SIBERIA SENSА

Description:

Siberia Sensa has a milk-white backdrop with black particles and grey faded short veins that adorn the stone. It is given a dazzling finish that makes a perfect addition in both residential and commercial settings. It is a dream come true for kitchens, baths, entryways, laundry and mudrooms, as well as a variety of other spaces in both residential and commercial properties. This Sensa surface makes a timeless statement that is appropriate for design styles ranging from traditional to modern. It is extremely versatile and simple to maintain, and it will stand the test of time in terms of durability and style.

Applications include kitchen countertops, kitchen islands, windowsills, upstands, bathroom vanities, sinks, shower trays, and splashbacks in both the kitchen and the bathroom, office desks, bar stools, reception worktops, stairs, walls, and floors in airports, etc.

Specific Disclaimer:

Please ask for availability for Suede and Volcano finishing. The price of the extra finishes needs to be checked. Material on request. Please ask for minimum quantities, and this cut-to-size rate is not applied to bookmatch references. Please ask for prices
