

Best Graduate school in Saudi Arabia | Alfaisal

Students at Alfaisal are enrolled in one of the five colleges offered by the university: business, engineering, medical, science, or pharmacy. Graduate degrees in business, engineering, nanoscience, biomedicine, and health sciences are available to those who wish to continue their education on campus. The crown jewel of the renowned [King Faisal Foundation](#) is the genuinely magnificent campus known as Alfaisal, which is located on the austere grounds of the palace of His Majesty the Late King Faisal in the Saudi capital of Riyadh.
