

Despite Kang Jung-ho and Kim Tae-hyung's dissuasion, he decided to move to Sangmu

This is the record of Lotte Giants' Han Dong-hee for the month of April 2022. It was the best month since his debut in 2018.

When I met him at Incheon International Airport on April 31, Han Dong-hee said, "I'll show you two months of hot weather like April 2022 and I'll go (to business)," as she strengthened her commitment. She was not just a purebred kid, but a determined Ackbari.

"I did a lot of weight training (at Kang Jung-ho School), and I did full batting training for two hours every day. It was a good time," Han said of his training in the U.S. "I got a lot of advice on how to use my strength effectively when hitting a ball, and I practiced together again." Han Dong-hee stayed at Kang Jung-ho School for a week. Kang said to Han Dong-hee, "It's a shame that the time was too short. I wish I could stay a little longer."

"The environment was so good that I thought the same thing. It wasn't just one-on-one, but Kang Jung-ho also gave me mental skills. I gained confidence because he pointed out everything from the side."

He always expressed his gratitude for the post-Lee Dae-ho modifier. "Actually, I liked it because I was relaxed. I could concentrate on sports more than when I was in Korea," Han said. When asked why Lee Dae-ho, who is already retired, takes good care of Han Dong-hee, he smiled embarrassingly, saying, "As much as he takes good care of Han Dong-hee, I am good at taking good care of him. You should ask Dae-ho about the details..."

Han Dong-hee is preparing to enlist in the first half of Sangmu in June. The first pass in February and the final pass will be announced in March. If he fulfills his military service as scheduled, he will only have one last year with coach Kim Tae-hyung.

Especially, joining the military during the season is a rare event for a player with career or name value that is comparable to Han Dong-hee's. Manager Kim Tae-hyung also expressed his regret, saying, "It's too bad." [메이저 투투사이트](#)

The most memorable moment was when the coach said, "There's no place to go down. Take it easy." In terms of batting, I got advice from the coach, which gave me more stability in my swing. He also said, "Let's do it together." I also want to work with the new coach. However, I am old enough to meet him, so it's better to go to the military early. I thought now was the best time. To be honest, I have regrets."

Considering the past career, Han Dong-hee is unlikely to be eliminated from the management application. Han Dong-hee promised a hot two months before joining the army in June.

"Even if I become a managing director, I can continue to play baseball. My favorite thing is baseball, and I want to do well in baseball, so I went to the U.S. as well. I will do my best. I think it would be good to have a two-month performance in April 2022."
