

## Karla Carbo Utah - Fostering Entrepreneurial Awareness in Youth.

[Karla Carbo Utah](#) should actively engage with aspiring young individuals, sharing their insights, challenges faced, and lessons learned along the way. This interaction can be facilitated through workshops, seminars, or online platforms, allowing young people to learn directly from those who have already embarked on the entrepreneurial journey. Mentors can provide guidance, support, and inspiration, helping young entrepreneurs navigate the complexities of starting and scaling a business.
