

Gangbang-in-progress.

Hey Cole! Sorry for taking so long to respond to your messages and calls, but I've been busy with a few of your friends. They're so ravenous! They never stop, or get tired.. you see what I'm getting at, right?

Their cocks are just superior. They've been barebacking me for the past hour. Honestly, the only reason why I'm talking to you right now is because I needed a break.. my throat and ass is sore!

But you'll give me those nice massages when I get back, right? Make sure to lick and stray stands of cum you see!

Hey baby! Just wanted to update you on while I didn't come home tonight.. same exact fucking reason. Black cock is just always so hungry! Wanted to give you something to stroke to in those lonely bedsheets of yours, so here you go!

(Just so you know, I really appreciate you buying me this pink thong! They really seem to enjoy ripping it to the side and fucking me senseless... they're also good at keeping their cum deep inside my pussy)

their cum deep inside my pussy!)
