

# soap holder

USA Patented Elevated Design - The original USA patented self draining waterfall design that will dry soap bars fast. No more mushy soap sitting in a pool of water. Designed with several drain spouts for water to flow out quickly! These soap dishes come in a bundle as a 2-pack beige!

High Quality Silicone - This soap holder is made of durable silicone that is soft and flexible to the touch. Our silicone soap dish gives you peace of mind and serves as an excellent soap saver or dish sponge holder!
