CNY Movers is an experienced and affordable moving company based in the Syracuse, NY region. We are fully licensed and insured for residential and commercial moves throughout New York and the USA.

What separates us from the competition is our quality moving service options combined with affordable rates. Our movers are experienced and intensely trained to assist you with every aspect of moving – from packing, loading, delivery, hauling, lifting and more.

We offer full-service residential, office, business, and corporate moving assistance. That includes planning and coordinating your move, packing and unpacking, loading and unloading, and careful delivery to where you want your items.

If you want to save money on your move, we're always ready to help load and unload heavy items, such as furniture, appliances, hot tubs, pool tables, pianos, safes, bedroom sets, televisions, computer and technology equipment, and more.

In addition to relocation for single family homes and apartments, we help with moving vacation homes, seniors/elderly, college students, military personnel, and employees relocating for another job.

We deliver exceptional commercial, office and corporate business moving solutions for companies big and small. We can lend a hand with your entire office move, including desks, chairs, conference tables, cabinets, cubicles, technology and computer hardware, printers, copiers, and other office equipment.
