TENTS – THE COLLAPSIBLE OUTDOOR CANOPY

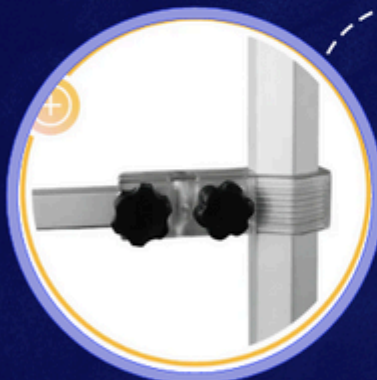

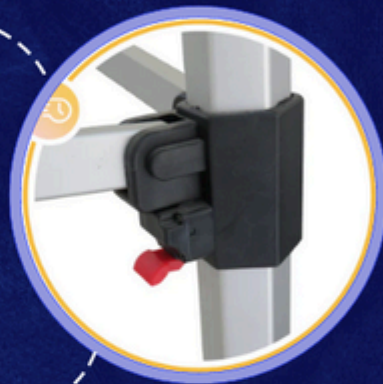

DURABLE ALUMINUM FRAMES

Collapsible tent frames with extendable aluminum legs, made from 40mm commercial-grade hexagonal tubing.

LIGHTENING FAST SET-UP

Easy pop-up and collapse tent with intuitive, straightforward set-up thanks to quick-release locking mechanisms.

HALF WALLS

Half wall kits have horizontal cross bars for attaching panels. Half wall graphics have pole-pockets to slip onto the cross bars.

TAKE IT ANYWHERE

The entire tent frame folds

The entire tent frame folds
down into a single wheeled
nylon carry case for easy
packing and transport.

JUST VELCRO IT ON

Easily apply or remove wall
panels based on weather.
Full wall graphics attach to
canopy with velcro, and
full/half wall graphics secure
to frame legs with velcro
loops.
