

Niranjan Hiranandani: Architect Of Hiranandani Group

Niranjan Hiranandani is a big shot in the business world. He's the Chairman of a company called Hiranandani Group. This company is a major player in the [real estate](#) business, especially in Mumbai, India. Born on March 8, 1950, in Hyderabad, India, Niranjan is known for changing the way Mumbai looks with his buildings.

Niranjan studied commerce at Mumbai University and also became a Chartered Accountant. But instead of sticking to finance, he jumped into the real estate business in 1978.

In simple terms, he's the boss of Hiranandani Group, a company that builds big and important buildings. He's like the captain of a team that makes huge houses, offices, and places where many people live and work.
