

Lee Kang-in succeeded in his first year at the Big Club

Lee Kang-in 23 is establishing himself as an indispensable player in the team even as he moves back and forth between the striker, midfielder, center and side in his first season of joining the Paris Saint-Germain PSG, ranked fourth in the European club.

In August 2023, France's PSG brought in Lee Kang-in for 22 million euros about 32.3 billion won to Majorca, Spain, and signed an annual salary of 7.27 million euros 17.7 billion won and a five-year total of 36.35 million euros 53.4 billion won for the 2027-28 season.

The 22 million euros is the second largest transfer fee in Majorca club history and the third largest transfer fee in Korean history. PSG made good results this season, including the French Ligue 1, the French Super Cup, the finals at the French Football Association Cup, and the semifinals at the UEFA Champions League.

The final match of the French Football Association Cup will be held from 4 a.m. on May 26 Korea time. If PSG beats Lyon, Lee Kang-in will win three gold medals from the first year of joining the team. However, this does not mean that he is free to ride on good team performance.

Lee Kang-in has two points and three assists in 20 matches in the French Ligue 1 league, ranked fifth in Europe. He played an average of 60.1 minutes and posted an attack point of 0.37 per 90 minutes. [스포츠토토 사이트 추천](#)

It is impressive that he was involved in the goal as an offensive point in four different positions, including right wing, left wing, left wing, and center midfielder. Even the offensive midfielder devoted himself to PSG, playing five roles depending on tactical demands or the situation of the team.

When looking at the time of Lee Kang-in 2023-24 League 1 position, the participation rate in all sectors is more than 10%. It is not just a short time in a hurry, but it is worth analyzing that the coaches under the coach seriously assigned various tasks and demanded them to be implemented.

According to "Opta Sports," a global statistics company targeting 70 countries and 30 sports, Lee Kang-in is ranked in the top 10 of France's first division this season in three records: 7th place in difference per 90 minutes compared to participation/decision, 8th place in average expectation help per 90 minutes, and 10th place in creating scoring opportunities per 90 minutes.

Positive effects of Lee Kang-in playing When the negative effects of keeping the bench or being excluded from the list are added together, he is the seventh most prominent player in the 2023-24 League 1.
