History of Long Choli Umbrella Lehenga and its emergence:

Long Choli Umbrella Lehenga Choli has travelled a lot in the past few decades. It came to our country as a part of Mughal business and since then, it has become the favourite occasional wear for women. We started wearing this Long Choli Umbrella Lehengas during the 12th and 18th century, where the Mughals are wearing it since the 10th century. At that time, these were designed in the cotton fabric for public and the silk and brocade fabrics for royals. But now, you can find them in almost every kind of fabric, from synthetic and normal. And almost everyone has the right to choose the perfect piece for them.
