Surf More for Our Fantastic Customers Kitchen Works:

We recently did a [Customer kitchen](#) Installation at Leicestershire for their fantastic kitchen; they wanted to renovate it for their Christmas. So they have selected Calacatta Rio White Quartz for their Backsplash, Countertop, and Kitchen Island.

[Calacatta Rio White Quartz](#) is a stunning composite of soft ivory and muted greys that meet in perfect harmony. It is a shining example of nature's true beauty. This white quartz from India evokes thoughts of classic marble but with a unique twist. The veining pattern, which

resembles a modern abstract painting, reveals clusters of grey shapes and is versatile enough to be used throughout a room.
