- Go to the official site to learn more about Korean Air or (dial +1-802-231-1806)
- Look for the Book option at the top center of the screen.
- You'll get three columns from the drop-down menu when you click this option.
- You must check the first column in Plan your trip.
- Under that column, choose the third option in Advance Seat Selection and click on it.
- The Advance seat choice allows you to travel confidently and securely and can be a significant step to making the perfect journey.

Which are your criteria for the advanced seats?

The option of a seat in advance is available for passengers who purchase tickets in economy class or reserve first class/premium class tickets. With Korean Air's advanced seat-selection program, passengers can select the seat they prefer, including the most popular window seat, seats in the aisle, or even an upper row. So, you can pick seats with Korean Air through its website or app, depending on what is most suitable for your needs.

Passengers can book a seat of the seat they prefer for international flights before the time limit of forty-eight hours before the departure time in economy class and 24 hours before the departure time in first-class and Prestige classes.

Cabin class	International	Domestic (Korea)
First Class	1 hour	
Prestige Class	1 hour	30 Minutes
Economy Class	1 Hour and 30 Minutes	30 Minutes

Things to be aware of when picking seats for Korean Air:

The aim is to travel easily and comfortably by using Korean seats, So when choosing the right flight, be aware of these. Take a review and think about the issues that are listed below before making an option for seats.

- **Safety-**

If you're one of those passengers who feel the safety of their passengers is of paramount significance, pick the seat in the middle of the wings.

- **Storage-**

Are you seeking additional space and accessibility to the bag within those overhead cabins? Then, it would be best if you considered an area in the rear of your cabin. So that once the plane is in its parking space and you can exit at the rear of the plane, not having to wait in the crowd to take your bag out of the cabin up above.

- **Legroom-**

We all enjoy stretching our legs when flying. However, this is not often the case due to seats. But you can do it with Korean air seat options; **you** can do it if you pick your seats on the exit row, which is close to those with emergency windows. These seats give you ample space to stretch and take a break from your legs.
