

Foxwood Resort Casino Reveals Rainmaker Casino

Fitting its reputation as a top resort destination in the Northeast, Foxwoods Resort Casino recently announced the opening of its state-of-the-art Rainmaker Casino, a reimagined gaming space that offers industry-leading experiences for guests of all interests. The redesigned modern Rainmaker Casino now operates 24/7 with all the unrivalled services Foxwood's guests have come to know and look forward to. Its unique integrated gaming layout includes many of its most popular slot machines, including Foxwoods' own dedicated slot machines, table games, racebooks, and the latest poker rooms. "We're excited to introduce Foxwood to our premium rainmaker casino, as we continue to offer world-class games that our guests have come to know and look forward to," said Wayne Theiss, vice president of gaming operations at Foxwood Resort Casino. "These new services are just another way to demonstrate Foxwood's commitment to maintaining its position as a top gaming destination in the Northeast."
