

# Cost Effective AASHTO Neoprene | GRM Custom Products

GRM Custom Products offers [AASHTO Neoprene](#) bearings, providing anti-vibration padding for concrete and steel frame structures. These bearings accommodate minimal movement and load transfer, allowing rotational flexibility at bearing points. With exceptional weathering and aging resistance, they effectively distribute loads and reduce stress. Contact us at (936) 441-5910 or visit our website for further details.

## GRM CUSTOM PRODUCTS
