

What to expect after microneedling?

This blog is going to give you the best microneedling aftercare tips. Recovery time after microneedling with Dr.Pen is minimal unlike more invasive procedures. You can resume most of your normal day to day activities pretty much as soon as you finish your treatment. Read more at: <https://www.dr-pen.co.uk/2024/09/20/what-to-expect-after-microneedling/>
