## IVORY SILK GRANITE

WORK-TOPS.COM

**Description:**

Ivory Silk granite stones come in a variety of cream, yellow, and ivory hues with red, brown, black, and grey specks. We provide raw silk ivory granite stones extracted from some of India's best quarries. These stones are hard and thus strong. Our Ivory Silk granite is long-lasting, resistant to wear, moisture, mold, and heat, and requires little maintenance. These granites are ideal for kitchen countertops, countertops, table tops, and walls and flooring. These Ivory Silk granites are available in a variety of finishes: Bush hammered Polished Honed Flamed Various sizes are available.
