

Companies are searching beyond their borders for opportunities more and more. Entrepreneurs and corporations seeking to increase their global reach, minimize taxes, and take advantage of the many advantages provided by offshore jurisdictions are increasingly choosing to form offshore companies. Of these jurisdictions, the formation of an offshore company in Ras Al Khaimah (RAK) is particularly appealing because of its advantageous regulatory framework, advantageous location, and strong infrastructure. The advantages of [offshore company formation in RAK](#) are examined in this infographic.
