

Covalensedigital at AfricaCom 2024: Driving Digital Transformation in Africa

We're excited to announce that **Covalensedigital** will be participating in **AfricaCom 2024**, Africa's premier technology event! As pioneers in digital transformation, we invite you to join us at **Booth #F20** to discover how our innovative solutions are helping telecom operators, enterprises, and digital service providers succeed in today's rapidly evolving digital landscape.

Discover Csmart: The Next Evolution in Digital Business Operations

At AfricaCom 2024, we're proud to showcase **Csmart**, our cutting-edge **SaaS BSS** platform, built to help businesses create and manage agile, dynamic digital ecosystems. **Csmart** offers an all-encompassing suite of solutions that spans the entire service lifecycle—from **concept to cash to care**. With its flexible and modular architecture, telecom operators and service providers can rapidly customize and deploy new services, ensuring exceptional customer experiences and driving long-term growth.

Why Visit Us at Booth #F20?

Don't miss the chance to meet our expert team and see firsthand how **Csmart** can transform your business. Experience live demos and engage in insightful discussions about your digital transformation journey at **AfricaCom 2024**.

Key Benefits of Csmart:

- **Agility & Flexibility:** Tailor digital solutions to your specific business needs and goals.
- **Innovative Digital Marketplace:** Unlock new revenue opportunities and foster strategic partnerships.
- **Multi-Sector Versatility:** Ideal for **MVNX, MNOs, 5G, IoT, satellite, private networks, OTT, mobility, enterprise, and fixed-line** services.

- **Seamless Integration:** Effortlessly integrate with existing systems while adhering to **TM Forum ODA** and **Open API** standards.
- **AI/ML-Powered Insights:** Utilize real-time analytics and advanced AI tools to make smarter, data-driven decisions.
- **Low-Code Platform:** Accelerate time-to-market and service innovation with intuitive, plug-and-play solutions.
- **Cost-Effective Cloud-Native Solutions:** Scale easily while reducing operational costs and future-proofing your infrastructure.

Join Us in Cape Town at AfricaCom 2024!

Now is your chance to be part of the digital revolution. Visit us at **Booth #F20** to explore our integrated **BSS/OSS** and **enterprise BSS** platforms—designed for the future of **5G**. Our next-gen **SaaS** solutions streamline operations, optimize service delivery, and empower **B2B telcos** to thrive in the digital era.

We look forward to welcoming you in **Cape Town**.
