

how much are evisa to india | India E-visa

The cost of an India E-Visa varies depending on the type of visa and the applicant's nationality. Generally, there are three main categories for the E-Visa: Tourist, Business, and Medical. The Tourist E-Visa can be further divided into different durations—30 days, one year, and five years—each with varying fees.

For most nationalities, the fees are approximately \$10 for a 30-day visa during the off-peak season and \$25 during the peak season. A one-year Tourist E-Visa typically costs around \$40,

while a five-year Tourist E-Visa is about \$80. Business and Medical E-Visas generally cost around \$100. However, these fees can vary based on bilateral agreements between countries and additional service fees charged by processing agencies.

To [apply for an India E-Visa](#), travelers need to visit the official Indian government E-Visa website, fill out the online application form, upload the required documents (such as a passport-sized photo and a scanned copy of the passport), and pay the visa fee. The processing time is usually between 2 to 4 business days. Once approved, the E-Visa is sent via email, which travelers should print and carry with them.

The India E-Visa simplifies the [visa application process](#), making it more accessible and convenient for travelers worldwide. This system enhances the ease of planning trips to India, allowing tourists, business people, and patients to focus more on their travel experience and less on bureaucratic procedures.
