

MAKRANA PURE WHITE MARBLE -Tile

Makrana White Marble is the best quality marble. Basically a calcite stone, Makrana Marble is durable and becomes shinier with time and usage. Tajmahal, Dilwara Temples, and many other historical monuments are made of Makrana. It originates and produced in Rajasthan, India.

Makrana White Marble is widely used for flooring due to its striking white appearance. It has a smooth and shiny finish. It can be also used for wall cladding. Makrana Marbles are long-lasting and highly durable. These marbles require no chemical treatment.
